SERVICES

Kee Engineering Enterprises, Inc. with its office at 51 Gerard Avenue, Matawan, New Jersey, is a consulting and municipal engineering firm that is dedicated to serving private clients and public agencies in a professional manner with highly qualified expertise.

Founded in 1977, the company has key personnel for all projects from concept to completion, offering personal time and timely services to all our clients. We offer personnel for engineering, surveying, planning, and environmental services.

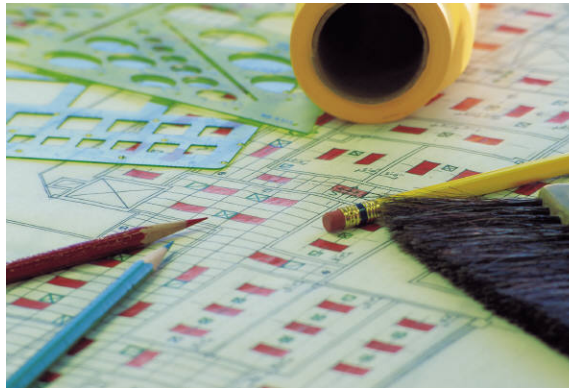

Because of our vast experience and background, we have established a good working relationship with Municipal, County, and State regulatory agencies and have a working knowledge of their rules and regulations.
